## OneAsia Introduces Cloud Anywhere, a New Line of Cloud Services

*Enterprise Class Cloud Services Provide Massive Scalability for Customers*

Hong Kong, 5 Jul 2013 - OneAsia, the leading cloud solutions provider in Asia today announced the launch of its Cloud Anywhere, a new line of enterprise class cloud services at OneAsia Cloud Solutions Conference 2013. OneAsia Cloud Anywhere enables companies to scaling their IT resources dynamically and more cost-effectively.

Building on OneAsia's cloud platform, the Cloud Anywhere family includes Backup Anywhere, Share Anywhere and Email Anywhere providing a highly secure and scalable email and data backup, sharing, storage services. Charles Lee, CEO of OneAsia said, "With our long proven expertise in cloud industry, Cloud Anywhere provides the stability, capabilities and flexibility not found with other cloud service providers. Our vision is to help our customers optimise their IT resources by using the latest cloud technology without any compromise in security and performance at minimal cost, making their life easier with cloud."

The Cloud Anywhere services can be subscribed either on a pay-as-you-go or monthly basis and there is no prepayment or set up fee, it also provides massive scalability to the customers. Services are added within 24 hours to accommodate unexpected changes in their needs.

The key features of Cloud Anywhere include:

**Email Anywhere:** state-of-the-art hosting email solution can be either get it as a hosted service or run it on customer servers

**Backup Anywhere:** a highly user-centric data backup and restore system that allows full control at users' finger tips without the need of any third party support

**Share Anywhere:** a cloud platform allow users to share files with multiple parties in a secure and controlled means

Lee added, "Equipped with the most advanced cloud technology and infrastructure, our Cloud Anywhere services enable companies in all scales to access enterprise class system at affordable cost." New customer can trial the services for free by filling the online form at [www.oneas1a.com](http://www.oneas1a.com).
